

# HINGHAM VIRTUAL SOLAR OPEN HOUSE TOUR 2020

**FOR HINGHAM RESIDENTS BY HINGHAM RESIDENTS**

- Virtually visit Hingham homes that have solar panel installations & other carbon reducing technologies in operation.
- Hear your neighbors telling their stories online:  
Why they adopted the technology & how it works for them

**[www.nationalsolartour.org/2020-local-tours](http://www.nationalsolartour.org/2020-local-tours)**  
from 9/28 through the month of October 2020

- The Hingham Solar Tour is part of the National Solar Tour, taking place online from Sept 27th - Oct 4th 2020
- Programs will cover topics such as Electric Vehicles, Home Solar, Business Solar, Solar Schools and Policy/Community Issues.
